

Dragon boat racing and breast cancer survivorship form a mutual bond among members of *Team Survivor Tampa Bay*. With a victory race in Windsor, Canada, the team began to share their stories of what it means to "survive and thrive" after a diagnosis of cancer. The victory race is interwoven throughout the book and signifies a triumph that each woman experienced. Also included are the stories of the team's supporters, who without them, their amazing victory would not have been possible. The *Pink Dragon Ladies* and *Team Survivor Tampa Bay* invite you to "ride the dragon" with them as you read of their enduring spirit and strength.
